

March 19–25, 2018

Volunteer for the Young Women's Conference March 22

There will be 750 girls from all over New Jersey at this year's Young Women's Conference March 22 at Princeton University. Volunteers are needed to help out with PPPL and Liberty Science Center tables, registration, and other tasks.

**Please contact Deedee Ortiz,
dortiz@pppl.gov, ext. 2785**

**Thank you for participating
in the March 14 blood drive!**

**The March 14 blood drive at PPPL
was a success, with 15 participants
contributing blood that will provide
for 29 hospital patients.**

Mark your calendars: the Fall Blood Drive is scheduled for Friday, Oct. 5!

Submit your questions for Plasma 101 Lunch & Learns

**Plasma 101 Lunch & Learns for staff have started.
Please submit your questions about fusion energy, plasma,
or any of the science we do here in the box in the LSB lobby.**

Sample questions:

What is plasma?

How is what we do different from “nuclear power?”

Why don't we have fusion energy on the grid yet?

What is the number one reason for unsafe behaviors at PPPL?

Doing what is easy over what is correct (“convenience over safety”) is the number one reason behind observed unsafe behaviors at PPPL, according to STOP program findings.

Take the time you need to work safely!

**Safety first:
Use the STOP program!**
