Lunch-n-Learn Presentation “LEAN” Practices and Tools – Part 2

Tuesday, April 5, 12:00- 1:00 p.m.
Melvin B. Gottlieb Auditorium

Understanding Demand, Takt Time and Sequence of Events

Second of three sessions defining all of the Basic Lean Tools. Understanding Demand deals with how to look at what your customer really wants and what this information is used for, this session will look at how to develop Takt Time, which is the heartbeat rate for a process and it will also cover how to develop a Sequence of Events which contains the quality, value added analysis, work content, safety and other information for a process.

Presented by Andy Morrison
